

Says

What have we heard them say?
What can we imagine them saying?

For formers
adequate without
providing
subsidies
deceptive status
is formed.

In ancient times, like
kelvaragu, samai lived
healthily by eating many
nutritious foods. so
eating chemically mixed
foods apart from such
nutritious foods leads to
various diseases

We need to identify the
methods do achieve is
seen. hence the
development of
agriculture the growth
of at present develop it
to reach agriculture in
india a is necessary.

G.NIVETHA

Short summary of
the persona

Thinks

What are their wants, needs, hopes, and dreams?
